**Narrative responses to NDERF survey question “Have your religious beliefs/spiritual practices changed specifically as a result of your experience?”**

## **Guide to Column Labels in the List Below:**

**Entry #:** NDERF registry number

**Post Name:** Title of experience posted on nderf.org

**URL:** URL of experience posted on nderf.org

**Describe Changed Religious-Spiritual Practices:** Description of changes in religious/spiritual practices after their NDEs

**This page contains 473 near-death experiences (NDEs) with narrative responses to the NDERF survey question in the title above.**

## **Methodology:**

Experiences were scored as NDEs if they met all of the following:

1. A lucid, organized experience occurring at the time of a life-threatening event so severe that there is unconsciousness or clinically apparent death with an absent heartbeat.
2. An NDE Scale score of 7 or higher.
3. Shared by the individual who personally had the NDE.
4. Shared in the English version of the NDERF survey.

These are NDEs from the most recent version of the NDERF survey (nderf.org). They are sequentially shared non-English NDEs shared from November 11, 2011 to April 8, 2021. All accounts were scored as NDEs if they met the above criteria and regardless of experience content to avoid bias in studying the content of the NDEs.

The NDEs posted on the NDERF website are edited to correct obvious spelling and grammar errors. As remarkable as the NDEs are in this list, please remember that they accurately represent the real experiences of near-death experiencers (NDErs) from all walks of life and around the world. NDErs that declined to have their experiences posted are excluded from this compilation.

This list is public domain and may be used by anyone.

Substantial efforts are made to minimize the risk of posting fraudulent NDE accounts on nderf.org: <https://www.nderf.org/Hub/hmethodology.htm>

We strive for accuracy in this list. If any NDEs should not be included for any reason, please email us at nderf@nderf.org with the NDE registry number and URL. Thanks!

**This is a compilation of responses to the NDERF survey question, “Have your religious beliefs/spiritual practices changed specifically as a result of your experience?” This was followed by a box for a narrative response asking “If yes or uncertain, please describe.” The ‘Describe Changed Religious-Spiritual Practices’ column below is the data from the NDERF survey without changing any spelling or grammar errors. Even a quick review of the NDEs**

below should demonstrate that there are varied and often substantial changes in the NDErs' religious beliefs/spiritual practices following their NDEs.

6106	DW NDE	<a href="https://www.nderf.org/Experiences/1dw_nde.html">https://www.nderf.org/Experiences/1dw_nde.html</a>	I don't attend a specific church but support places and people that care for others, no matter what faith they have. I read more religious texts, I go to a bible study, I write, as it comes to me, about what I read.
6113	Stephen M NDE	<a href="https://www.nderf.org/Experiences/1stephen_m_nde.html">https://www.nderf.org/Experiences/1stephen_m_nde.html</a>	I believe more now than I did before my experience.
6118	Ana R NDE	<a href="https://www.nderf.org/Experiences/1ana_r_nde_6118.html">https://www.nderf.org/Experiences/1ana_r_nde_6118.html</a>	I am an avid participator in church.
6119	Shannon T NDE	<a href="https://www.nderf.org/Experiences/1shannon_t_nde.html">https://www.nderf.org/Experiences/1shannon_t_nde.html</a>	Even though I am still undecided on the religion issue, I am constantly thanking God and just spending time taking care of the things he gave me (family and kids).
6120	Karen NDE	<a href="https://www.nderf.org/Experiences/1karen_nde_6120.html">https://www.nderf.org/Experiences/1karen_nde_6120.html</a>	I dont believe in any specific religion.
6125	Sandy D NDE	<a href="https://www.nderf.org/Experiences/1sandy_d_nde.html">https://www.nderf.org/Experiences/1sandy_d_nde.html</a>	too complex to do one handed
6131	Kaleen NDE	<a href="https://www.nderf.org/Experiences/1kaleen_nde.html">https://www.nderf.org/Experiences/1kaleen_nde.html</a>	Constantly working that out
6137	Paul S NDE	<a href="https://www.nderf.org/Experiences/1paul_s_nde_6137.html">https://www.nderf.org/Experiences/1paul_s_nde_6137.html</a>	I am definitely more spiritual, belong to a local spiritual group and like to take part in things like holistic health, spiritual workshops etc.
6139	Kirat A NDE	<a href="https://www.nderf.org/Experiences/1kirat_a_nde.html">https://www.nderf.org/Experiences/1kirat_a_nde.html</a>	As i mentioned earlier,i have become spiritual and started exploring a lot of spiritual work. Have started reading about Sufism.
6141	Harold R NDE	<a href="https://www.nderf.org/Experiences/1harold_r_nde.html">https://www.nderf.org/Experiences/1harold_r_nde.html</a>	Again, hard to say how it changed me. One thing I'd say is I often feel that the earth's religions don't quite get it right but I can't offer anything definitive. It's just a vague feeling that each is wrong. It feels like portions of each religion were put in place to try to prove their religion is more accurate than the others. What I KNOW is that love and understanding are the most important things for beings on earth. It seems like too many religions want to say they are the one true religion and their followers are willing to die and kill others in those beliefs. To me, this is absolutely wrong.
6144	Glenn F NDE	<a href="https://www.nderf.org/Experiences/1glenn_f_nde.html">https://www.nderf.org/Experiences/1glenn_f_nde.html</a>	i use this exp as proof of a higher power to myself. it helps me give strength and hope to some who need it.
6148	Bella K NDE	<a href="https://www.nderf.org/Experiences/1bella_k_nde.html">https://www.nderf.org/Experiences/1bella_k_nde.html</a>	They have yet I cry so much when in church and dont know why, I should be happy!
6151	Jill D NDE	<a href="https://www.nderf.org/Experiences/1jill_d_nde.html">https://www.nderf.org/Experiences/1jill_d_nde.html</a>	The Big Guy on the Throne is a fairy tale for children. The Trinity is for people who can't think for themselves. All religions get so close and then miss the truth by a mile. The truth I learned is that we (and when I say "we", I mean all of existence) are connected. What a great thing

			that in this time/space continuum we get to think independently, but it's a facade. We're all one. And the idea of a "god" is just limited nonsense.
6155	Erinn H NDE	<a href="https://www.nderf.org/Experiences/1erinn_h_nde.html">https://www.nderf.org/Experiences/1erinn_h_nde.html</a>	i became more spiritual and less religious in ways of thinking. You can't confine religion your beliefs, faith or God in a box or constrict it within a set of rules, if you let things be the way they should and are open the experiences and possibilities that can be shown to you are endless
6159	Sue C NDE	<a href="https://www.nderf.org/Experiences/1sue_c_nde.html">https://www.nderf.org/Experiences/1sue_c_nde.html</a>	I do not get wrapped up in organized religion. God is the fabric of existence, the rest does not matter.
6160	Tony D NDE	<a href="https://www.nderf.org/Experiences/1tony_d_nde_6160.html">https://www.nderf.org/Experiences/1tony_d_nde_6160.html</a>	After years, I know because of what I experienced that there is no doubt in what I believe.
6166	Jean R NDE	<a href="https://www.nderf.org/Experiences/1jean_r_nde_6166.html">https://www.nderf.org/Experiences/1jean_r_nde_6166.html</a>	I do not feel a need to belong to any specific religion. I also do not feel the fear that religions seem to try to push on people. If that helps someone do the right thing and take care of others...through fear...great. But religion, in and of itself is destined to always be interpreted by man. Their interpretations are often lacking real clarity and have a lot of falsities in place too. One of the things I was told...look always to "who benefits?" in rules made by religion. If it is particular men, or the power structure itself...chances are that it is not really something of God. Many rules are definitely man made and put there to benefit either the structure...or those in charge of the structure.
6167	Michael L NDE	<a href="https://www.nderf.org/Experiences/1michael_l_nde.html">https://www.nderf.org/Experiences/1michael_l_nde.html</a>	DEFINITELY MORE RELIGIOUS
6171	Jeanette F NDE	<a href="https://www.nderf.org/Experiences/1jeanette_f_nde.html">https://www.nderf.org/Experiences/1jeanette_f_nde.html</a>	Quite possibly. I do believe there is something, I can only go on my experiences throughout life and at 15 I think I was too young to make that decision.
6178	Ellen K NDE	<a href="https://www.nderf.org/Experiences/1ellen_k_nde.html">https://www.nderf.org/Experiences/1ellen_k_nde.html</a>	im now following Jerry & Esther Hicks and their teachings from Abraham as well as astro Physics and The laws of attraction and learning from Buddhism.
6181	Steve N NDE	<a href="https://www.nderf.org/Experiences/1steve_n_nde.html">https://www.nderf.org/Experiences/1steve_n_nde.html</a>	I now think religion is nonsense. I translated the bible from Greek and it is clear that we have been lied to. Our human beliefs hold us back
6308	Carole M NDE	<a href="https://www.nderf.org/Experiences/1carole_m_nde.html">https://www.nderf.org/Experiences/1carole_m_nde.html</a>	My spiritual practices are even more heightened and I definitely believe in higher beings out there
6496	Carol M NDE	<a href="https://www.nderf.org/Experiences/1carol_m_nde_6496.html">https://www.nderf.org/Experiences/1carol_m_nde_6496.html</a>	I don't know if my beliefs have anything to do with my NDE, but I suspect that it does. I do not subscribe to some of the beliefs taught in many churches today. But I do feel a special connection with God, and I feel that it is probably a deeper connection than many have who attend church regularly.

6196	Lacy NDE	<a href="https://www.nderf.org/Experiences/1lacy_nde.html">https://www.nderf.org/Experiences/1lacy_nde.html</a>	It certainly woke me up and to realize there was more out there than a God. My views had stretched out. I was never a Christian and my experiences defiantly made me believe differently than a Christian.
6200	James N NDE	<a href="https://www.nderf.org/Experiences/1james_n_nde.html">https://www.nderf.org/Experiences/1james_n_nde.html</a>	it still took time for me to become a Christian, but I did place myself with new friends that were Christians...when a close friend's young girl died after being hit by a car, I told him the event, and how she was in a much better place and happy..seemed to really make him happy...

6221	Veronica M NDE	<a href="https://www.nderf.org/Experiences/1veronica_m_nde.html">https://www.nderf.org/Experiences/1veronica_m_nde.html</a>	I am naturally inclined toward enhanced self discovery and personal development on the spiritual front. It remains a work in progress and a labour of love. I am equally passionate about the metaphysical realm.

6227	Herman V NDE	<a href="https://www.nderf.org/Experiences/1herman_v_nde.html">https://www.nderf.org/Experiences/1herman_v_nde.html</a>	Doctrines, creeds, confessions and the overall teachings of the Christian church in terms of the atonement role of Christ are now seen by me to be wrong. I still believe in much of the narrative of Christianity but I now see that narrative as having a much different meaning that that expounded by the church.

I had several events in my life that I was able to overcome because of my new outlook on life. My brother a Firefighter Paramedic committed suicide in July 2010 and found his body. If it wasn't for my new way of thinking I don't think I would've been able to handle it. I feel like I understand death and that its just part of life.

6391	Tam NDE	<a href="https://www.nderf.org/Experiences/1tam_nde.html">https://www.nderf.org/Experiences/1tam_nde.html</a>	I pray more, I am looking for an appropriate place to do good works and worship. I was pleased to tell my dear friend of 22 years who has lived next door as long about my NDE recently. She was dx with stomach CA June 30th and died July 30th. I told her and she told me that her dead sister was sitting in the room with her. She was conscious. Granted she was on heavy morphine but she seemed lucid. I told her very Catholic husband who just kept saying æI hope soÆwhen I told him he would see her again. Of course, the service was about seeing her again and they are frappin hypocrites.

To me they were all hypocrites. One of the most "religious" men I knew was our next door neighbor who tried on multiple occasions to sexually abuse me. He'd have the Bible in one hand and his other hand under my skirt. As a kid I think I believed in a higher power, but knew it wasn't to be found in a church, at least not for me.

6429	Gwen J NDE	<a href="https://www.nderf.org/Experiences/1gwen_j_nde.html">https://www.nderf.org/Experiences/1gwen_j_nde.html</a>	I spend more time in nature, especially in the mountains. The spiritual existence is what is most important in our life on this Earth. We aren't here necessarily to learn a lesson (although we do learn lessons when we stray off the path), but we are here to experience the joy of this place and the fellowship with all things. I spend usually 40 minutes in chanting and meditation every morning and then yoga or Tai Chi before going to work. I was never that consistent before the accident.

I have gradually fleshed out my new understanding of the universe by reasoning about what kind of a Universe would contain this type of consciousness. While I don't believe in a judeo-christian deity, I do believe that in general all religious and spiritual beliefs originate from our direct experience of an unending consciousness.

I have no use for man made religion, it is just rote repetition and I believe it can hinder our relationship with God. There are a lot of good teachers but there is none better than God himself. I seek truth and I know it when I hear it and I have found many churches actually hinder God and there are others that actively seek to know and serve God and his children. There are good and bad churches.

I studied Astrology, Tarot, Rune Stones, all kinds of spiritual gurus, channeling, native American philosophies, World religion classes, auras, crystals, hypnosis, past life reincarnation and the list can go on an on. I was searching for answers anywhere and everywhere. Trying to follow the rituals etc. After the NDE I realized none of those things were necessary because the answers are all within and I had be given a magnify glass. 7441	Sherry S NDE	<a href="https://www.nderf.org/Experiences/1sherry_s_nde.html">https://www.nderf.org/Experiences/1sherry_s_nde.html</a>	There is one God, no religion is right or wrong.
7442	Marney N NDE	<a href="https://www.nderf.org/Experiences/1marney_n_nde.html">https://www.nderf.org/Experiences/1marney_n_nde.html</a>	It didn't happen all of a sudden. It was a series of events and one day I put my hand on my bible and said 'I am ready, show me the way' and He allowed me to see I was around 40 years old.
7443	Vernon C NDE	<a href="https://www.nderf.org/Experiences/1vernon_c_nde.html">https://www.nderf.org/Experiences/1vernon_c_nde.html</a>	still meditate etc daily

7454	Marc M NDE	<a href="https://www.nderf.org/Experiences/1marc_m_nde.html">https://www.nderf.org/Experiences/1marc_m_nde.html</a>	spirit is my home

7469	Penny W NDE	<a href="https://www.nderf.org/Experiences/1penny_w_nde.html">https://www.nderf.org/Experiences/1penny_w_nde.html</a>	I feel spirits near. I am able to relate to people information that spirits give me for them. I have had one experience where I felt overpoweringly compelled to pick up a pencil and paper. When I did I fell into a trance like state and wrote three pages. When I read them back, they were not in my handwriting...it was completely different, on the last page the words were in a circle. The message was an assurance of the existence of God.
7481	Dr. Jean Renee H NDE	<a href="https://www.nderf.org/Experiences/1jean_renee_h_nde.html">https://www.nderf.org/Experiences/1jean_renee_h_nde.html</a>	Stronger. I have way better all day long time of personal relationship with God. In my operating room, I always command anything evil to leave the room never to return, by the blood of the lamb, and in the name of Jesus. My scrub tech Jeff knows that when I say to open the door, that I'm telling get this thing of evil leave the room. This isn't anything magical in me at all. It's just that I know if I call upon God, he's there.
7484	Akshatha K NDE	<a href="https://www.nderf.org/Experiences/1akshatha_k_nde.html">https://www.nderf.org/Experiences/1akshatha_k_nde.html</a>	i meditate more, i have a strong belief in the positive spirits in the life. the message the universe is giving, its almost like my third eye is opened for ever.

7506	Alana G NDE	<a href="https://www.nderf.org/Experiences/1alana_g_nde.html">https://www.nderf.org/Experiences/1alana_g_nde.html</a>	Yes, I go way beyond the boundaries that most "churches" have in place so not always welcome and understood. oh well!!!

7516	Jennifer W NDE	<a href="https://www.nderf.org/Experiences/1jennifer_w_nde_7516.html">https://www.nderf.org/Experiences/1jennifer_w_nde_7516.html</a>	Before, after losing my religion and rebelling against Southern Baptist christianly, I kind of did whatever I wanted for years without spiritual comfort or direction. After the NDE all I needed was provided through a spiritual spigot so to speak until I really woke up five years after, when my spirit decided to return from floating in space, because when i was blasted back into my body so fast, a part of me stayed up there. As far as spiritual, I became the epitome of that word afterwords, whereas before, I was a leaf in the wind.
7536	Lonnie L NDE	<a href="https://www.nderf.org/Experiences/1lonnie_l_nde.html">https://www.nderf.org/Experiences/1lonnie_l_nde.html</a>	My spiritual beliefs have strengthened.
7625	Gray W NDE	<a href="https://www.nderf.org/Experiences/1gray_w_nde.html">https://www.nderf.org/Experiences/1gray_w_nde.html</a>	Not by much, but I am more conscious of the meaning of religion for others, and I am more disposed to feel compassion for the religious minded, even when I believe they have it all wrong.
7795	Katie W NDE	<a href="https://www.nderf.org/Experiences/1katie_w_nde.html">https://www.nderf.org/Experiences/1katie_w_nde.html</a>	I am not stuck on demnominations.
7930	Paul D NDE	<a href="https://www.nderf.org/Experiences/1paul_d_nde.html">https://www.nderf.org/Experiences/1paul_d_nde.html</a>	I stopped going to church or feel obligated trough religion as sold to me. I on the other side became more a believer. A total one :)
7525	Kate L NDE	<a href="https://www.nderf.org/Experiences/1kate_l_nde.html">https://www.nderf.org/Experiences/1kate_l_nde.html</a>	I am more aware there is a God, but I still question some of my churches beliefs.
7526	Leonard K NDE	<a href="https://www.nderf.org/Experiences/1leonard_k_nde.html">https://www.nderf.org/Experiences/1leonard_k_nde.html</a>	Christian services leave me feeling empty. The rituals we have created to worship God do little for me. I hate it when I hear religious leaders stressing that individuals are not as important to God as groups of people who worship together.
7533	Sebastian X NDE	<a href="https://www.nderf.org/Experiences/1sebastian_x_nde.html">https://www.nderf.org/Experiences/1sebastian_x_nde.html</a>	I'm living....
7537	Jeanne ZS NDE	<a href="https://www.nderf.org/Experiences/1jeanne_zs_nde.html">https://www.nderf.org/Experiences/1jeanne_zs_nde.html</a>	Much more religious. I practice Metaphysical Judaism as opposed to Conservative.
7546	Donna W NDE	<a href="https://www.nderf.org/Experiences/1donna_w_nde_7546.html">https://www.nderf.org/Experiences/1donna_w_nde_7546.html</a>	I no longer can accept organized religion. I look at it as a controlling factor. I do believe there is an energy source that we are all connected to. I do believe in reincarnation. I do believe although we are connected that it is an inside job and we have to fix ourselves first. I do believe we have something that guides us if we pay attention to it. I do believe that what is out there is stronger than us but in a benign way.
7548	Jeffrey B NDE	<a href="https://www.nderf.org/Experiences/1jeffrey_b_nde.html">https://www.nderf.org/Experiences/1jeffrey_b_nde.html</a>	I don't go to church much. I know the love is everywhere. And I see organized, formalized religious services as not fulfilling, like a small appetizer, and having to wait years and years to eat. It's frustrating. And it only reinforces how much I miss the "light experience".
7552	Ysel NDE	<a href="https://www.nderf.org/Experiences/1ysel_nde.html">https://www.nderf.org/Experiences/1ysel_nde.html</a>	I know there is a God I know there is someone after life that takes you somewhere and you feel a lot of peace you feel beautiful...

Its not all 'gentle Jesus meek and mild'... the God of the Old testament is very much the God of the New testament! Malachi says the Lord DOESNT CHANGE. Christians make out like He is all grace now... and New Age people are soppy its all LOVE but love is more than soppy. He chastens those he loves. I know He loves me. I know He allowed the criminal attack BECAUSE He loves me enough to rebuke me and correct me. It is a false preception to think that God doesnt get angry. 			I'm not practising Christian though - I actually consider my beliefs to be closer to New age or Buddhism. I still belong to Christian church, because it had an important role in my life when I was growing up, and I think their work with underprivileged people is great.

I realize 'Free Will' is as much a curse as a gift. Best described, We are like children. When in heaven we are indoors and safe. Sooner or later we beg to go outside. What happens when we are outside is of our own doing. It's best to stay in your own yard.

8030	Norman R NDE	<a href="https://www.nderf.org/Experiences/1norman_r_nde.html">https://www.nderf.org/Experiences/1norman_r_nde.html</a>	I am more opposed to religion and the mysticism that it and those who espouse it, try to impose on others, particularly with these kinds of experiences. For example, when I describe the fact of my suddenly being back, without having made my own decision, too many try to impute that I had 'more' to accomplish or learn. I think that is B.S., and if anything, disputed by what the fellow in the hallway said to me.

I do not attend church regularly, though I might once in a while if led to. I am not legalistic like I used to be. There are some aspects of Buddhism that I feel drawn to, but I honestly feel most at home in the new age realm, or when going to an IANDS meeting. I really feel at home going to them, yet I still have a cross on my bedroom wall!

Also communication with the dead has lead me down another path as well. I feel like there is a way to believe in both, I'm just figuring out what path that is for me. Christians get uneasy if I mention their loved one communicating with me. I've even had someone tell me that although I seemed to have knowledge of their loved one and was able to prove it through mentioning things I shouldn't know about, that it was a demon trying to communicate with them and to not tell them about these things.

I firmly believe that I was on an Intelligent Piloted Space Craft or perhaps an Interdimensional Spiritual Place and Time. All I know for sure is that I was in a Real Place that had substance to my surroundings and had a hard texture floor and walls to the room. The Tall Person that was talking to me without speaking, may have been my Guarding Angel, or an Extraterrestrial... Or perhaps One in the Same. I do feel in my heart that whomever He was, He absolutely cared Very Much about Me and my Soul; I felt this much for sure. And I also know that...I Now have a VERY SPECIAL PERSONAL RELATIONSHIP with God and those Entities that were there with me now in my life... Even Multitudes More Than before, as I was raised as a Catholic, and survived seven grades of Parochial School. I wanted so much to go to that Bright Beautiful Light...but, I was not allowed to transcend into the realm of absolute Happiness and Content...At least for now!
